

F. No. 7/23/2023-DGTR
Government of India
Department of Commerce
Ministry of Commerce & Industry
(Directorate General of Trade Remedies)
4th Floor, Jeevan Tara Building, Parliament Street, New Delhi – 110001

Dated: 8th April 2024

To,

The interested parties,

Subject: Regarding PCN methodology and filing of questionnaire responses.

Reference: Sunset review investigation of countervailing duty concerning imports of Welded Stainless-Steel Pipes and Tubes originating in or exported from China PR and Vietnam.

1. The sunset review of the existing countervailing duties was initiated vide notification no. F. No. 7/23/2023-DGTR dated September 30, 2023. Subsequent to the initiation, letters were sent to all the known interested parties containing details about various submissions, including the opportunity to submit their comments on the scope of the product under consideration (PUC) and propose product control numbers (PCNs), if any.
2. The Authority notes that barring one interested party no other interested party has submitted any comments regarding the adoption/finalization of the PCN methodology in the captioned investigation. The aforementioned party has requested the Authority to adopt the same PCN methodology that was employed in the original investigation for the ongoing sunset review investigation.
3. In view of the comments received from the interested parties, the Authority adopts the following PCN methodology based on the grade of steel used:

S. No.	PCN Parameter (Grade of steel)	Code
1.	200 Series	2S
2.	300 Series	3S
3.	400 Series	4S

4. In view of the above, all the interested parties are requested to file their respective questionnaire responses for the captioned investigation in accordance with the above-mentioned PCN methodology **by 23rd April 2024**. No extension of time will be given by the Authority to file the questionnaire responses.
