## COSTING INFORMATION

ANNEXURE 6

### Windsor Machines Limited

1. Production Process: Stage wise process of manufacturing and various routes of manufacture. Process flow chart indicating cycle time taken at each process.

Business proprietary information, not amenable to summarization.

2. Raw materials and packing materials consumption and reconciliation statement as per Format 'A'.

Business proprietary information, not amenable to summarization.

3. Raw materials consumption norms and comparison with actual as per Format 'B'.

Business proprietary information, not amenable to summarization.

4. A statement showing cost of production as per Format "CI and CII". A statement classifying expenses shown in Format "CI" into Fixed, Variable and Semi-variable. The semi-variable expenses may further be classified into Fixed and Variable. The basis of classification may be clearly mentioned.

Business proprietary information, not amenable to summarization including machine wise cost of production statement.

5. Utilities consumption statement as per Format "D" for the period.

Business proprietary information, not amenable to summarization.

6. Working capital

As per balance sheet enclosed with confidential version of the petition.

7. Interest on Term Loans:

As per balance sheet and PL account enclosed with confidential version of the petition.

8. Overdue and/ or compounding interest: Statement showing details of overdue and/ or compounding interest provided in the annual audited accounts.

As per balance sheet and PL account enclosed with confidential version of the petition.

9. Depreciation: Statement showing gross and net blocks for the period.

As per balance sheet and PL account enclosed with confidential version of the petition.

# Section VI

## COSTING INFORMATION

10. Return/profit: Statement showing desirable return on capital/equity along with justification in support thereof.

Company desires \*\*% on capital employed considering Gross Fixed Assets

11. Details of misc. income earned during the year.

As per balance sheet and PL account enclosed with confidential version of the petition.

12. Sales Realization: A statement showing details of gross sales realization, discounts/ commission, excise duty, other taxes and net sales realization, as per Format "E". Give a statement showing reconciliation with profit & loss of the corresponding period.

Business proprietary information, not amenable to summarization.

13. Details of WIP at the beginning and end of the period, showing break up of material cost and overheads charged in the valuation.

As per balance sheet and PL account enclosed with confidential version of the petition.

14. Policies – Purchase, Sales, Quality Control and Store Accounting.

Business proprietary information, not amenable to summarization.

15. Details of job work done or got done.

Information given in enclosed information - Business proprietary information, not amenable to summarization.

16. Quantitative information.

As per IV A enclosed.

17. Audited and printed annual accounts for the investigation period and past three years and trial balance for the period of investigation.

Can be seen on website of the company [www.windsormachines.com](http://www.windsormachines.com)
