Dated the 26<sup>th</sup> Septemebr, 2017

To,

All Interested parties

Subject: Anti-dumping investigation concerning imports of "Solar Cells whether or not assembled in modules or Panels" originating in or exported from China PR, Taiwan and Malaysia

Sir,

With reference to the subject stated above, I am directed to inform you that on the basis of the information furnished by various producers/exporters in the questionnaire circulated by the Authority, it is noted that a large number of producer/exporters have responded from China PR and Taiwan.

Accordingly, following producers/exporters of the subject goods from China, PR & Taiwan along with their related/unrelated exporters, if any, as declared by them have been selected in the sample by adopting the sampling procedure envisaged in the Rule 17 (3) of Anti- Dumping Rules by taking the largest percentage of the volume of the exports by the responding parties from the subject countries.

It is to be noted that since only 5 (five) producers (along with their exporters) have responded from Malaysia (S.No.13 to 17), it has been decided not to adopt sampling process for the producer(s)/exporter(s) from Malaysia and individual examination will be done for each of them.

Country	Producer	Exporter	Quantity Supplied as % of total exports by the responding producers /exporters of the respective country.

2. Please note that this sampling exercise has been conducted in terms of Rule 17 (3) of Anti-Dumping Rules. However, the final decision regarding the individual treatment to be given to the sampled parties would be taken after detailed scrutiny and analysis of the questionnaire response submitted by the sampled parties.

3. You are requested to offer your comments, if any, within 05 (five) days from the date of this letter.

Thanking you,

Yours faithfully,

(Mithileshwar Thakur)
