Dated the 3rd October, 2017

To,

All Interested parties

Subject: Anti-dumping investigation concerning imports of “Solar Cells whether or not assembled in modules or Panels” originating in or exported from China PR, Taiwan and Malaysia

Sir,

With reference to the subject stated above, on the basis of the information furnished by various producers/exporters in the questionnaire circulated by the Authority and comments received from exporters/producers to the letter dated 26th September, 2017, following exporters/producers are sampled for the current investigation.

It is to be noted that since only 5 (five) producers (along with their exporters) have responded from Malaysia (S.No.13 to 17), it has been decided not to adopt sampling process for the producer(s)/exporter(s) from Malaysia and individual examination will be done for each of them.

Country	Producer	Exporter	Quantity Supplied as % of total exports by the responding producers /exporters of the respective country.
