To,

All interested parties

Subject: - Final PCN methodology- anti-dumping investigation concerning imports of Acetonitrile originating in or exported from China PR, Russia & Taiwan.

1. This has reference to the initiation notification F. No. 6/04/2024-DGTR dated 26.03.2024 *vide* which comments were invited from all interested parties on the PUC and PCNs proposed in the initiation notification. Comments received from the interested parties have been examined and a meeting was held on 29th April 2024 at 3:30 pm to finalise the scope of the product under consideration and the PCN methodology. In the light of the submissions made by the interested parties, the scope of the product under consideration shall remain the same as was defined in the initiation notification. Further, PCN methodology may be adopted for fair comparison as below.

SN	PCN Criteria	Description	PCN Code
1	Purity of Acetonitrile	99.9% purity	A
		98% purity	B
		Any other purity	C

2. It is also informed to all interested parties that this is the final PCN notification. Further, no modification/ comments/ arguments would be entertained by the Authority regarding PCNs.
3. In view of the above, all interested parties are requested to file questionnaire responses in accordance with the above PCN-methodology latest by **24.05.2024**. No further extension of time will be granted by the Authority to file the questionnaire responses as anti-dumping investigation is time bound.
4. This issues with the approval of the Designated Authority.
