**CORRIGENDUM NOTIFICATION**

**Subject: Anti-dumping investigation concerning imports of 'Ofloxacin' originating in or exported from China PR.**

**File No. 14/6/2016-DGAD:** Having regard to Customs Tariff Act, 1975 as amended from time to time and Customs Tariff (Identification, Assessment and Collection of Anti-Dumping Duty on Dumped articles and for Determination of injury) Rules, 1995 as amended from time to time, the Designated Authority issued Final Finding vide Notification No. 14/6/2016-DGAD dated 22.12.17 regarding imports of 'Ofloxacin' originating in or exported from China PR. Accordingly Customs Notification 8/2018-Customs (ADD) dated 15.3.2018 was issued.

2. The Domestic Industry had submitted a representation with regard to missing HS Codes in the duty table of the Final Finding Notification 14/6/2016-DGAD dated 22.12.2017. The issue has been examined and found that the Authority intended to recommend duty on import of the product 'Ofloxacin' irrespective of the fact whether the imports are under Chapters 30 or 29 of Customs Classification.

3. Therefore, in Column 2 of the duty table, in addition to the present **3004 2034**, the HS codes **2941 9030**, **2941 9060** and **2941 9090** may also be added.
