

File No. 6/8/2022-DGTR
Government of India
Ministry of Commerce & Industry
Department of Commerce
Directorate General of Trade Remedies
Jeevan Tara Building, 4th Floor, 5, Parliament Street, New Delhi

Dated: 9th November 2022

To,

Interested parties

Subject: Extension of time to file comments on the scope of the product under consideration, if any, and propose product control numbers (PCNs), if any in the matter of anti-dumping investigation concerning imports of “Alloy Steel Chisel/Tool and Hydraulic Rock Breaker in fully assembled condition” originating in or exported from China PR and Korea RP.

Madam/Sir,

1. Please refer to the subject investigation. The exporters/ producers were granted a time of 15 days from the circulation of the non -confidential version of the application to file comments on the scope of the product under consideration, if any, and propose product control numbers (PCNs), if any.
2. However, few interested parties have requested for extension of the aforementioned deadline. After careful consideration of the said requests, the Designated Authority has granted an extension of 10 days for filing comments on the scope of the PUC and propose PCNs, if any. Accordingly, the final date for filing of the comments which was 9th November 2022 now **stands revised to 19th November 2022**. It is requested that all comments may be filed by 19th November 2022. Submissions made later than the stipulated time may lead to non – consideration of such comments.
3. It is observed that few interested parties have already filed their comments on PUC/PCNs. Such interested parties may re-file their comments, if they so desire, within the extended deadline.
4. As the anti-dumping investigations are time bound and a reasonable opportunity has already been provided, no further extension of time, whatsoever, will be allowed in the captioned matter.
5. This issues with the approval of the Authority.

(Vivek Singh)
Joint Director
