To,
All interested parties

Subject: Final PUC/PCN methodology- Anti-dumping investigation concerning imports of “Telescopic Channel Drawer Slider” from China PR.

1. This has reference to the initiation notification F. No. 6/13/2023-DGTR dated 20th September, 2023. The interested parties were directed to provide their comments or suggestions, if any, for the finalization of the PCN methodology within 20 days from the date of the initiation notification.
2. The timeline for providing comments on the PUC/PCN methodology was further extended till 12.10.2023. The investigation team conducted a Webex hybrid mode on October 30, 2023 at 1:30 PM (IST) to discuss the PUC/PCN methodology in the subject investigation.
3. Pursuant to the same, various interested parties made detailed submissions regarding the PUC/PCN. After considering the submissions made by the domestic industry and other interested parties. It is noted that the Steel is main raw material used for production of Telescopic drawer channel. Hence, the PCN methodology is as under-

S. No	Parameter	PCN	Code
1	Channel Made of Mild Steel	MS	MS
	Channel Made of Stainless Steel	SS	SS
	Channel Made of Other Material	OM	OM

4. It is also informed to all interested parties that this is the final PCN notification. Further, no modification/ comments/ arguments would be entertained by the Authority regarding PCNs.
5. In view of the above, all interested parties are requested to file questionnaire responses in accordance with the above PCN-methodology latest by **14-12-2023**.
6. No further extension of time will be granted by the Authority to file the questionnaire responses as anti-dumping investigation is time bound.
7. This issues with the approval of the Designated Authority.
