(Directorate (General of Trade Remedies))
4th Floor, Jeevan Tara Building,
5, Parliament Street, New Delhi- 110001

Date 18th June, 2024.

To,
All interested parties.

Subject - PUC/PCN methodology in the anti-dumping investigation on imports of Azo Pigments originating in or exported from China PR.

1. This has reference to the initiation notification dated 29th March 2024 vide which comments were invited from all interested parties on the scope of the product under consideration (PUC) and product code numbers (PCN) methodology.
2. Comments were received from certain interested parties. The Authority has examined the submissions made by the interested parties. None of the interested parties has made any comment on the scope of the PUC. Further, none of the other interested parties has provided any evidence establishing any difference in cost/price among the different values of PCN parameters as proposed in the initiation notification. Further, the domestic industry has withdrawn its request to consider color index as a PCN parameter.
3. Based on the comments received, the scope of the product under consideration is considered the same as defined in the initiation notification and the Authority adopts the following PCN methodology:

SN	PCN Parameter	Value	PCN Code
1	COLOR	a. Orange b. Red c. Yellow	a. O b. R c. Y

4. In view of the above, all interested parties are requested to file questionnaire response in accordance with the above PCN methodology within 15 days of the issuance of this notice. No extension of time will be granted by the Authority to file the questionnaire response.
