To,

The Domestic Industry and Other Interested Parties.

**Subject: Clarification - PCN in the matter of Anti-Dumping Duty investigation relating to Nylon Multi Filament Yarn from China PR, Korea RP, Taiwan and Thailand –reg.**

Dear Sir / Madam,

This has reference to the anti-dumping investigation initiated by this Directorate vide Initiation Notification No. 6/11/2019 -DGTR dated 28th June, 2019, regarding above referred subject.

2. It has been decided by the Authority, to adopt the following PCN in the case:

No	S	Characteristic	Format	Explanation
1		Flat Yarn/Crimped Yarn	X	The first single digit in the PCN should denote the type of Flat Yarn as "F" or Crimped Yarn as "C"
2		Partially Oriented yarn / Fully Drawn Yarn	_XX	These two digits in the PCN should denote the type of Yarn: Partially Oriented: "PO" Fully Drawn: "FD"
3		Denier	___A/B/C/D/E	Next digit in the PCN will denote the Denier Range as follows: A)Yarn of Denier Exceeding 010 and upto 025; B)Yarn of Denier Exceeding 025 and upto 045; C)Yarn of Denier Exceeding 045 and upto 070; D)Yarn of Denier Exceeding 070 and upto 100; E)Yarn of Denier Exceeding 100 and upto 250;

Therefore, in case of the goods with the description "Flat Fully Drawn Yarn of 40 Denier", the PCN should be quoted as "FFDB" and for "Flat Partially Oriented of 20 Denier", it will be "FPOA".

3. All the interested parties are requested to provide PCN wise information based on the above methodology, latest by 28.08.2019.

With Regards,  
  
(Shubhra)
