**Subject: Regarding PCN wise analysis in the matter of Anti-Dumping investigation concerning imports of Electronic Calculators originating on or exported from Malaysia**

To,

The Domestic Industry and Other Interested Parties,

This has reference to the Anti-dumping investigation initiated by this Directorate vide Initiation Notification No. 6/22/2019-DGTR dated 24<sup>th</sup> September 2019 regarding the above referred subject. I am directed to inform you that the domestic industry has requested the Authority to conduct PCN to PCN analysis for dumping margin and injury margin calculation in the subject investigation. The Authority has analysed their request and finds merit in the same. It is observed that the product basket includes various grades with different cost structures and therefore, a PCN to PCN comparison seems suitable for the present case.

2. In view of the above, it has been decided to conduct a PCN wise analysis for calculation of dumping margin and injury margin. The proposed PCN for this purpose is as follows:

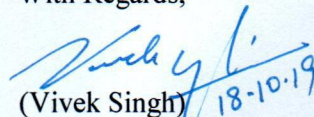

| S.No. | Field description        | Field Format           | Explanation   |
|-------|--------------------------|------------------------|---|
| 1.    | Type                     | X<br>(No of digits: 1) | This refers to class to which calculator belongs:<br>S: Scientific<br>N: Non- Scientific  |
| 2.    | Check & Correct function | N (No of digits: 1)    | This field represents the function of Check & Correct in the calculator:<br>0: No Check & Correct<br>1: Check & Correct present |

| S.No. | Field description       | Field Format           | Explanation   |
|-------|-------------------------|------------------------|---|
| 3.    | No of Digits in Display | X (No of digits: 1)    | This field represents the number of digits in calculator (more than/equal to 12 or less than 12)<br><br>Less than 12 digits: L<br><br>Equal to and more than 12 digits: M |
| 4.    | Solar Power             | N<br>(No of digits: 1) | This field represents whether the calculator also has solar power energy:<br><br>A: No Solar power<br><br>B: Solar power is present                                       |
| 5.    | Size of Calculator      | X (No of digits: 1)    | Pocket or Others<br><br>Dimension of Pocket Size: Not exceeding 170mm X 100mm X 45mm<br><br>Pocket Size: P<br><br>Others: O   |
|       | <b>Total Digits</b>     | <b>5</b>               |   |

3. You are requested to furnish your comments by 23<sup>rd</sup> of October, 2019 failing which the PCN proposed above will be taken as final.

With Regards,

  
(Vivek Singh) 18-10-19
