Date: 14th September 2020

Subject: Anti-Dumping Investigation concerning imports of Aluminium Foil 80 micron and below from China PR, Indonesia, Malaysia and Thailand; PCN regarding.

In the present case of Anti-dumping original investigation concerning imports of Aluminum Foil 80 micron and below originating or exported from China PR, Indonesia, Malaysia and Thailand. Product Control Number (PCN) were mentioned in the initiation notification dated 07/02/2020. Interested parties were asked to give their comments/ suggestions within 15 days of the issuance of initiation notification. No significant comments were received.

2. One of the interested parties had commented on thickness range, but filed response as per PCN mentioned in the initiation notification. Other parties requested to exclude 'Color coated Aluminum Foil' but this issue does not pertain to PCN. Other comments were not strictly on PCNs. In fact, responding parties adopted PCNs as mentioned in Initiation notification. Thus, finalized PCNs are as follows. However, interested parties may give or provide any additional information, if any, within two weeks i.e. up to 28/09/2020.
