

F. No. 6/27/2024-DGTR
Government of India
Department of Commerce
Ministry of Commerce & Industry
(Directorate General of Trade Remedies)
4th Floor, Jeevan Tara Building
5, Parliament Street, New Delhi – 110001

Dated: 19.11. 2024

To,
All interested parties,

Subject: PCN methodology in the anti-dumping investigation concerning imports of Resorcinol originating in or exported from the China PR and Japan.

Sir/Ma'am,

Reference is invited to the above-cited subject. The Authority had on 30th September 2024, initiated the subject anti-dumping investigation vide Notification F. No. 6/27/2024-DGTR, wherein the product under consideration (hereinafter referred to as "PUC") was defined as under:

"The product under consideration is Resorcinol. The product under consideration is also known as 1,3-benzenediol; 1,3-dihydroxybenzene; 3-Hydroxyphenol; Resorcin Meta-Dihydroxybenzene and has a chemical formula C₆H₆O₂. The CAS number of the product under consideration is 108-46-3. The product under consideration comes in form of white to off-white flakes and is water soluble and conducive to derivatisation"

The other interested parties were asked to provide their comments on the scope of the product under consideration within 15 days of initiation of the investigation. No party barring the domestic industry has filed any comments. The domestic industry has requested that the product under consideration defined in the initiation notification may be considered and that there is no requirement of PCN in the present investigation. Therefore, the scope of the product under consideration is considered same as defined in the initiation notification. It is also decided that there is no need for any PCN methodology.

Interested parties are directed to file their responses based on the above product under consideration within 30 days from the date of issue of this letter.

This issues with the approval of the Designated Authority.
