Subject: PUC and PCN methodology in the anti-dumping investigation concerning imports of Solar Encapsulants excluding EVA Encapsulants” originating in or exported from China PR – reg.

1. Attention of all the interested parties is invited to the above-mentioned investigation initiated *vide* initiation notification No. 6/39/2025-DGTR dated 29.9.2025. The non-confidential version of the application filed by the domestic industry was intimated to all interested parties *vide* Letter/Email dated 7th October 2025.
2. Whereby, the interested parties were granted an opportunity to present their comments on the scope of the product under consideration (PUC), and product control number (PCN) methodology, within a period of 15 days, which ended on **22nd October 2025**. Further, on request of some interested parties, an extension till 30th October 2025 was granted.
3. The Product under Consideration was defined as under in the initiation notification:

*“The product under consideration for the present application is “Solar Encapsulants excluding EVA encapsulant”. As per the applicant, solar encapsulants are of three types: Poly Olefin Encapsulant (POE), EVA-POE-EVA Encapsulant (EPE), and Ethyl Vinyl Acetate (EVA). Anti-dumping duties on EVA encapsulants are already in force against the subject country, pursuant to the Final Findings issued *vide* F. No. 7/12/2023-DGTR dated 28.12.2023. Accordingly, the present petition is limited to the other two types of Encapsulants, namely POE and EPE.”*

4. The PCN methodology suggested by the applicant and notified in the initiation notification is provided below.

<i>Type of Encapsulants</i>	<i>Corresponding number in PCN</i>
<i>Poly Olefin Encapsulant</i>	<i>POE</i>
<i>EVA-POE-EVA Encapsulants</i>	<i>EPE</i>

5. The Authority has received comments from various interested parties on the scope of the PUC and PCN methodology within the prescribed time limits. After examining the comments/ submissions submitted by interested parties, the Authority notes that the interested parties requested certain clarifications and exclusions in the product under consideration. The Domestic Industry has also replied to the said clarification. Based on the analysis of the responses, it is decided that there is no requirement of any change in the PUC

or PCN methodology in the present investigation. Therefore, the scope of the product under consideration and PCN methodology is considered same as defined in the initiation notification.

6. Accordingly, all interested parties are directed to file their questionnaire response based on the above product under consideration within 37 days from the date of intimation of Letter/E-mail dated 7th October 2025 i.e., by **13th November, 2025**.
7. This communication is limited to clarifying the scope of the product under consideration for which the present investigation is being conducted. This does not preclude interested parties from providing relevant information and evidence to substantiate their requests for exclusion for any particular product. The Authority shall decide the scope of the product under consideration for any measures recommended, after considering relevant information and evidence furnished by all interested parties during the course of investigation.
8. This issues with the approval of the Designated Authority.
