Corrigendum Notification

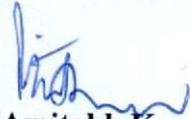

Case No. CVD (OI) - 1/2024

Subject: Final finding in the countervailing duty investigation concerning imports of effect pearlescent pigments or mica pearlescent pigments, excluding effect pigments for automotive applications.

Having regard to the Customs Tariff Act, 1975, as amended from time to time, and the Customs Tariff (Identification, Determination and Assessment of Countervailing Duties and Injury) Rules, 1995, as amended time to time, thereof, the Director General has issued the Final Finding Notification F. No. 6/8/2024 - DGTR dated March 28th 2025, in respect of the above countervailing duty investigation.

A typographical error had occurred in the previously issued Corrigendum Notification dated 16.06.2025. Thus, in supersession of all previous notifications, insofar as **note no. d** to the duty table is concerned, the **note no. d** of the duty table is substituted as below.

*d. In case of effect pearlescent pigments or mica pearlescent pigments of synthetic grade **other than for automotive application**, since no anti-dumping duty is payable, the quantum of countervailing duty shall be equivalent to the amount payable as per column (7).*
