Subject: Notification of PUC/PCN methodology in the Anti-subsidy investigation concerning imports of ‘PVC Suspension Resins’ originating in or exported from China PR

1. This has reference to the initiation notification no. 06/67/2025-DGTR dated 26.02.2026 vide which comments were invited from all interested parties on the scope of the product under consideration and PCN methodology. Comments received from the interested parties have been examined, and a meeting was held on 27th March 2024 regarding scope of the product under consideration and the PCN methodology.
2. In the light of the submissions made by the interested parties, the scope of the product under consideration will be as follows:

“Homopolymer of Vinyl Chloride Monomer (suspension grade) also known as PVC Suspension Resin manufactured through suspension polymerisation process with K-value above 55 and upto 77.

The product under consideration in the present investigation excludes the following

- i. Ultra-Low K-Value PVC Suspension Resins (K-value upto 55)*
- ii. Ultra-High K-Value PVC Suspension Resins (K-value above 77)*
- iii. Cross-linked PVC*
- iv. Chlorinated PVC (CPVC),*
- v. Vinyl chloride – vinyl acetate copolymer (VC-VAC),*
- vi. PVC paste resin/emulsion resins*
- vii. Mass Polymerisation PVC*
- viii. Polyvinyl Chloride Blending Resins.*

Further, PVC resins manufactured through emulsion polymerisation, PVC resins manufactured through bulk mass polymerization, and PVC resins manufactured through micro suspension polymerization process are also excluded from the scope of the product under consideration.”

3. Further, none of the parties have made any written comments regarding requirements of PCN in the present investigation. The domestic industry has submitted that there is no need for PCN wise analysis. Accordingly, the Authority has decided to proceed with the investigation without notifying PCNs.
4. In view of the above, all interested parties are requested to file questionnaire responses in accordance with the above PUC latest by 19th April,2026. No further extension of time will be granted by the Authority to file the questionnaire responses, as the anti-dumping investigation is time-bound.
5. This is issued with the approval of the Designated Authority.
