**(Directorate General of Trade Remedies)**  
**4th Floor, Jeevan Tara Building, 5, Parliament Street, New Delhi – 110001**

**Dated: 15.04.2026**

To,  
All interested parties,

**Subject: Anti-dumping investigation concerning imports of “Thermoplastic Polyurethane (TPU)-based Surface/Paint Protection Film” originating in or exported from China PR – Final sampling of producers/exporters.**

1. With reference to the subject investigation, the Authority had proposed sampling of producers/exporters vide notification dated 01.04.2026 and had invited comments from the interested parties. Accordingly, on the basis of the information furnished by various producers/ exporters and the comments received from interested party/ies the following producers/exporters are finalised for sampling in present investigation-

<b>S. No.</b>	<b>Name of the Company</b>
1.	Nar Coating Technology Co., Ltd.
2.	Nantong NKODA Polyurethane Technology Co. Ltd.
3.	Avery Dennison (China) Co., Ltd.

3. The Authority would determine the dumping margin for non-sampled cooperating producers/exporters from China PR on the basis of the weighted average of the dumping margin determined for the sampled producers/exporters, in accordance with the applicable Rules.
4. It is clarified, the Authority has selected the producers including their related parties for determination of individual dumping margin, on the basis of sampling methodology. In the said methodology, the Authority has selected responding producer exporters for sample amongst the highest percentage of export volumes to India.
5. It may be noted that failure to cooperate with the authority by any interested party will lead to determination of individual dumping margin on the basis of facts available as per Anti-Dumping Rules.
6. This issues with the approval of the Designated Authority.
