Corrigendum Notification

Case No. AD (OI)-24/2026
SETU Case ID: AD/OI/028/2026

Subject: Initiation of anti-dumping investigation concerning imports of “Hot Rolled Flat Products of Alloy or Non-Alloy Steel” originating in or exported from China PR, Japan and Russia

No. 6/26/2026-DGTR: Having regard to the Customs Tariff Act, 1975, as amended from time to time, and the Customs Tariff (Identification, Assessment and Collection of Anti-Dumping Duty on Dumped Articles for Determination of Injury) Rules, 1995, as amended from time to time, the Designated Authority has issued the initiation notification vide F. No. 6/26/2026-DGTR dated 25th June 2026 in respect of the subject anti-dumping investigation.

Para 23 of the subject initiation notification is modified as under:

23. Information furnished by the applicants has been considered for assessment of injury to the domestic industry. The applicants have furnished prima facie evidence establishing that the subject imports have caused injury to the domestic industry. The applicants have claimed that the volume of imports increased in both absolute terms and in relation to demand in India over the injury period. The subject goods were undercutting prices of the domestic industry and the subject imports suppressed and depressed the prices of domestic industry. Despite increased sales, the average inventory of the domestic industry increased. The applicants have claimed that there is adverse impact on profitability parameters of domestic industry, including decline in return on investment, due to dumped imports.
