

**F. No. 6/37/2026-DGTR
Government of India
Department of Commerce
Ministry of Commerce & Industry
(Directorate General of Trade Remedies)
4th Floor, Jeevan Tara Building
5, Parliament Street, New Delhi – 110001**

Date: 14.08.2026

(Case ID: AD/OI/035/2026)

To,
All interested parties

Subject: PUC / PCN methodology and filing of Questionnaire responses for the case pertaining to the anti-dumping investigation concerning imports of “Cyanuric Chloride” originating in or exported from China PR and European Union.

1. Attention of all interested parties is invited to the above-mentioned investigation initiated vide Notification No. 6/37/2026-DGTR dated 30th June 2026. The non-confidential version (NCV) of the application was uploaded on SETU portal by the domestic industry on 1st July 2026. The interested parties were granted an opportunity to provide their comments on the scope of the product under consideration and PCN methodology, if any, within 15 days of circulation of the receipt of the intimation of the initiation of this investigation. The comments made by the interested parties have been examined.
2. The scope of the product under consideration is Cyanuric Chloride. It is clarified that the scope of the product under consideration includes all forms of the Cyanuric Chloride. It is also clarified that no PCN methodology has been adopted. The Authority adopts the same scope of product under consideration as notified in the Initiation Notification No. 6/37/2026-DGTR dated 30th June 2026.
3. All interested parties are directed to file their questionnaire response based on the above product under consideration within 15 days from the date of this notification i.e. 31.08.2026. This communication is limited to clarifying the scope of the product under consideration for which the present investigation is being conducted. This does not preclude interested parties from providing relevant information and evidence to substantiate their requests for exclusion for any particular product. The Authority shall decide the scope of the product under consideration for any measures recommended, after considering relevant information and evidence furnished by all interested parties during the course of the investigation.
4. This is issued with the approval of the Designated Authority.
