**Corrigendum Notification
Case No. AD (OI) – 39/2025**

Subject: Anti-dumping investigation concerning imports of "Copper Data Cables" originating in or exported from China PR.

F. No. 6/44/2025-DGTR Having regard to the Customs Tariff Act, 1975 as amended from time to time (hereinafter referred to as the "Act") and the Customs Tariff (Identification, Assessment and Collection of Anti-Dumping Duty on Dumped Articles and for Determination of Injury) Rules, 1995, as amended from time to time, thereof, the Designated Authority has issued the Final Findings Notification No. 6/44/2025-DGTR dated 16.09.2026 in respect of the anti-dumping investigation concerning imports of "Copper Data Cables" originating in or exported from China PR.

A typographical error had occurred in the duty table appended to paragraph 111 of the said final findings, wherein the unit of measurement has inadvertently been mentioned as "MT" instead of "KM". Thus, insofar as paragraph 111 of the final findings is concerned, paragraph 111 of the final findings stands substituted to be read as under:

"111. Having regard to the lesser duty rule followed by the Authority, the Authority recommends imposition of anti-dumping duty equal to the lesser of margin of dumping and the margin of injury, so as to remove the injury to the domestic industry. Accordingly, the Authority recommends imposition of anti-dumping duty on the imports of the subject goods, originating in or exported from the subject countries, from the date of notification to be issued in this regard by the Central Government, for a period of 5 years, equal to the amount indicated in Col. 7 of the duty table appended below:
