Date: 23rd October, 2026

Case No. AD/OI/063/2026

To,

All interested parties

Subject: Extension of the timeline for filing comments on the scope of the product under consideration (PUC) and the Product Control Number (PCN) methodology by the interested parties in the anti-dumping investigation concerning imports of “Isopropyl Alcohol” originating in or exported from South Korea, Taiwan, United States and European Union.

1. Attention of all interested parties is invited to the above-cited investigation initiated vide Notification No. 6/62/2026-DGTR dated 28th September, 2026.
2. All interested parties were advised to furnish their comments on the scope of the product under consideration (PUC) and the proposed Product Control Number (PCN) methodology within 15 days from the date of transmission of the intimation letters to the known interested parties and the diplomatic representative(s) of the subject countries. The said intimation was transmitted on 5th October, 2026.
3. In response to requests from certain interested parties seeking an extension of the timeline to file comments on the scope of the PUC/PCN methodology, the requests have been duly considered, and it has been decided to extend the deadline by 7 days, i.e., until 27th October, 2026.
4. Since the trade remedial investigations are time-bound in nature, no further extension of time will be granted in this regard.
5. This issues with the approval of the Designated Authority.
