NOTICE

Subject: Anti-dumping investigation concerning imports of "Certain Counterbalance Forklifts" originating in or exported from China PR and Japan: meeting with interested parties on the scope of the product under consideration and the PCN methodology, and extension of time to file questionnaire.

1. Reference is invited to the Initiation Notification F. No. 6/60/2026-DGTR dated 30th September, 2026 in the above investigation, wherein the interested parties were directed to furnish their comments or suggestions on the scope of the product under consideration (PUC) and the Product Control Number (PCN) methodology. The time for filing such comments was extended up to 31st October, 2026 vide notice dated 21st October, 2026.

2. Comments on the scope of the PUC and the PCN methodology have been received from a number of interested parties. The non-confidential versions of these submissions are accessible to the registered interested parties through their respective logins on the SETU portal.

3. It has been decided to hold a meeting with the interested parties to understand the comments made on the scope of the PUC and the PCN methodology, as per the following schedule:

Date	**Time**	**Venue and mode**
1st December, 2026 (Tuesday)	11:00 hours	DVC mode; the link for joining through video conference will be shared in due course

4. The registered interested parties who have made comments are requested to attend the meeting. The parties are advised to be accompanied by persons having technical knowledge of the product.

5. The time limit for filing the questionnaire responses, which was due to expire as prescribed in the initiation notification stands extended. The last date for filing the questionnaire responses will be specified in the notice finalising the scope of the PUC and the PCN methodology, which will be issued after the above meeting. The requests for extension of time received from the interested parties stand disposed of accordingly.

6. The interested parties are advised to regularly visit the website of the DGTR and the SETU portal for further updates in the investigation.
