Subject: Scope of PUC and PCN methodology in the 2nd Sunset Review (SSR) investigation concerning imports of "Ceramic Tableware and Kitchenware excluding Knives and Toilets items originating in or exported from China PR" .

This has reference to the initiation notification F.No.7/25/2026-DGTR dated 29th September 2026 issued in SETU case No. AD(SSR)/012/2026, whereby a 2nd Sunset Review (SSR) investigation concerning imports of Ceramic Tableware and Kitchenware excluding Knives and Toilets items originating in or exported from China PR was initiated on the application filed by Clay Craft India Limited and Ceramic Tableware Private Limited. The scope of the product under consideration was notified at paragraphs 6 and 7 of the said notification.

2. Subsequently, the non-confidential version of the application filed by the domestic industry was shared with concerned interested parties vide Letter/Email dated 5th October 2026 and the interested parties were granted an opportunity to present their comments on the scope of the product under consideration (PUC), and product control number (PCN) methodology, within a period of 15 days from the date of intimation, which ended on 20th October, 2026.

3. The product under consideration as in the original investigation is "Ceramic Tableware and Kitchenware, excluding Knives and Toilet Items". As per the original anti-dumping investigation carried out by the Designated Authority earlier, the product has been defined as under:

> *" The product under consideration in the present investigation is defined as "Ceramic table wares and kitchen wares, excluding knives and toilet items" (hereinafter referred to as 'subject goods or PUC).*
>
> *It is noted that bone china, stoneware and porcelain-ware all constitute ceramic products and therefore the product under consideration includes kitchenware and tableware of bone china, stone and porcelain. Ceramic tableware and kitchenware products are used for the purpose of eating, drinking, and serving food and beverages in homes and hotels.*
>
> *Subject goods are classified under Chapter 69 of Customs Tariff Act, 1975. It is imported under various subheadings under HS code 6911 and 6912. However, the HS codes are indicative only and product description is the determining factor for the purpose of present investigation."*

4. No PCN methodology was proposed in the initiation notification.

5. No comments in regard to the scope of PUC and PCN methodology have been received from the interested parties and therefore at this stage the authority adopts the same scope of product under consideration as notified in the Initiation Notification No.7/25/2026-DGTR dated 29th September 2026 without any changes and no PCN methodology is adopted.

6. This communication is limited to clarifying the scope of the product under consideration for which the present investigation is being conducted. This does not preclude interested parties from

providing relevant information and evidence to substantiate their requests for exclusion for any particular product. The Authority shall decide the scope of the product under consideration for any measures recommended, after considering relevant information and evidence furnished by all interested parties during the course of the investigation.
